City Planner Passes Away

Flags on city buildings flew at half mast Monday in respect to the memory of Edwin De Smith, secretary of the Redwood City Planning Commission and head of the mechanical arts department at Sequoia High School, who passed away at 5:30 a. m. Sunday at Palo Alto Hospital following an illness of exactly a month's duration.

Although hope had been virtually abandoned for a fortnight for recovery of Mr. De Smith from his illness, his death came as a shock to his associates at Sequoia and in the city government, and to the many friends he had made during his 10 years' residence here.

Mr. De Smith, who lived at 153 Jeter St., leaves his wife, Maude, and a 15-year-old son, William, known as "Bill" at Sequoia, where he is a sophomore.

About two-thirds of the states still levy a property tax for state purposes.

Funds Are Sought To Give Youngsters Outings at Camps

Although there are several hundred boys on the Peninsula whose parents will send them to a Summer camp for a week or a fortnight's outing, there are several dozen more who cannot go—unless some one sends them.

It is because of this fact that the Redwood City Lions Club and the Tribune have joined in an appeal for a "campership fund" to give deserving but needy boys a week's outing in camp this coming Summer.

The sum of $8 will send a boy for a full week to either the Boy Scout camp in Memorial Park or the Young Men's Christian Association's new camp at Jones Gulch, near the park.

There are many boys who will be sent by their parents. There are a number of others who are already assured of the outing through contributions made by service clubs, lodges, civic organizations and individuals. But it is so a number of boys who would otherwise have no vacation may get the week's outing that this appeal is made.

CAN GIVE ANY SUM

People may contribute any sum desired. If they contribute $8, they will know they are giving one boy a week in camp. If they contribute $16, they will send two boys, etc. If they contribute $1, or 2, they will aid the fund to grow so that it may send a number of boys.

Contributions can be made specifically to send a Boy Scout to the scout camp or to send a boy to the YMCA camp, or any other camp. Contributions not designated for either camp will be divided to send an equal number of scouts to the scout camp and other boys to the "Y" camp. Contributors may if they desire specify the particular boy they wish to send.

The funds will be handled by a committee consisting of William M. Werder, president, and Carl Britschgi, vice president of the Lions Club, and Sam H. Winklebleck, publisher, and Kenneth L. Bowen, editor, of the Tribune. This committee will also select the boys to go to camp from a list of deserving boys in the Sequoia High School District to be submitted by the YMCA and scout council. The two organizations know of several dozen boys from the Sequoia High School district who are deserving of receiving campers-hips.

ALL USED FOR CAMP

Money contributed to the "Lions-Tribune Campership Fund" will go entirely to sending boys to camp. Both the YMCA and scouts conduct their camps with their regular staffs, who are paid with funds obtained from the Community Chest in Redwood City and similar campaigns in other cities The chest funds do not provide any camperships, however. The $8-a-week cost per boy covers his food and other expenses while at camp. The county scout council will provide transportation for boys sent by the camperships, according to Scout Executive E. A. Barrer. Boys going to the YMCA camp will be taken there by committeemen, according to "Y" Secty. Thomas W. Badley.

Both Badley and Barrer, and their respective organizations, have given approval to this campership appeal.

Those desiring to contribute may do so at the Tribune office, 30 California St., Redwood City. Checks should be made payable to the "Lions-Tribune Campership Fund." Contributors' names will be published if they desire, or contributions may be made annonymously.

Civic League Attacks Gain In Salaries

Warning that the present method of preparing the county salary ordinance cannot go on, the Civic League of San Mateo County has submitted to the board of supervisors a statistical analysis of the county payroll since 1929-30 and demanded a thorough investigation of proposed increases.

The league pointed out that requests of department heads, now being studied by the supervisors, show a gain of more than $72,000 over the 1939-40 salary roll, an increase of 12.15 per cent.

"If you adopt this increase the county will pay $122,522 more for salaries and for clerical work than two years ago," the letter said. "When the salary ordinance for 1939-40 (the present fiscal year) was adopted, you made provision for $50,413 over and above the preceding year . . . The Civic League then believed, and believes now, that in view of the county's growth and in view of the relatively small increases allowed in 1938-39, the increase was not so far out of line.

"Until a salary standardization plan is worked out, the county cannot expect an equitable and satisfactory solution."

The letter, signed by President M. A. Harris, lists the increases sought by each department.

The statistical analysis showed county salaries have nearly doubled since 1929-30 while the assessment roll in the same period has increased only 20 per cent.

First public hearing on the salary roll has been set for May 21.

A PAIR OF CHAMPIONS

Wilbur Shaw, America's number one racing driver, is shown at the left receiving a Studebaker Champion coupe from Geo. D. Keller, vice president in charge of sales for Studebaker. Wilbur will make this Champion his official car until race day at Indianapolis, when he hopes to win the Champion sedan that will pace the race and be given to the winner.

Lopez Fails In Death Try

Florencio Lopez, 32, one of four accused murderers currently locked up in the San Mateo County jail, today owes his life to the acute hearing of his cellmate, George J. Westman, 43, also charged with murder.

Jailers disclosed that Lopez attempted to commit suicide in his cell early Tuesday by garroting himself with a shoe lace. Westman awoke when he heard Lopez's gasps, tore the shoe string from Lopez's fingers and called the jailer. Dr. H. E. Mason was summoned, but apparently Lopez had suffered no ill-effects.

Dr. Mason notified Judge A. R. Cotton that he feared Lopez was insane and the judge ordered a sanity hearing tomorrow after appointing Drs. Mason and H. A. Clattenburg to make an examination. Lopez's trial had been set for May 21 before Judge Cotton. He is accused of murdering Magdellano Cervantes, 34, at a South San Francisco birthday party Feb. 2. A coroner's jury named him as the killer.

Westman is awaiting trial on the charge of murdering Emil Peterson, 46, a ship rigger, at a Belmont hobo camp Apr. 18.

Changes Are Planned

Summer Camp dates for Boy Scouts are: Pescadero Scout session, June 24-July 8; Pescadero Cub session, July 8-18; Kit Carson, High Sierras (for experienced scouts), July 29-Aug. 19.

The camps will be under the personal supervision of Edward A. Barrer, county scout executive, who has been directing camps for 20 years. Enrollment for the scout camp is limited to 200; for the cub camp, 100; for the High Sierra camp, 75.

Registrations should be made at once at the scout office, 1204 Burlingame Ave., Burlingame, as the preliminary filing of applications indicates that the council camps will run to capacity, according to Camp Committee Chairman John F. Linden.

Assisting Barrer will be a staff of scoutmasters and junior leaders, trained in the fundamentals of scoutcraft through actual experience in former camps.

Plans have been completed by the camp committee, under John F. Linden, to provide every facility that the camp has afforded in years past, with substantial improvement along some lines.

Camp Pescadero has won recognition as one of the outstanding camps in the country for leadership, program and camp facilities. It enjoys a clean bill of health unmarred by a single case of serious illness or accident for its 12 consecutive years of existence. Every precaution is taken to insure the health and safety of the scouts during their stay.

Floyd Granger Joins Local Hardware Firm

Floyd D. Granger of 827 Brewster Ave., Redwood City, who lost the position of deputy recorder when he was elected a city councilman, has become associated with the Redwood City Hardware Co., as an outside salesman of home appliances. The work is similar to that Granger engaged in for 20 years with the Pacific Gas and Electric Co. until he resigned five years ago to take the county position.

McBean Files To Wed Resident of England

Miss Diana Starkey of Warwickshire, England, and Peter McBean, Woodside socialite, Monday filed their notice of intention to wed. The document gave McBean's age as 29, his fiance's as 20. It is his second marriage, her first. Both gave their residence as the Oak Hill Farm, Woodside. McBean gave his occupation as rancher.

She is the daughter of Col. and Mrs. J. H. Starkey of Warwicksire. Her brother, Peter, is with his regiment in France.

The groom-to-be is the son of Mr. and Mrs. Atholl McBean.

Italian Club Sets Picnic for June 9

The Italian-American Progressive Club of Redwood City has set June 9 as the date for its annual picnic, which will be held at the New Canada Road Park. There will be games, dancing and other amusements. Admission is 25 cents.

At the last meeting of the club, it was decided that a part of the proceeds from the picnic will be given to support of Troop 162, Boy Scouts, which the club sponsors, and part to the Italian School. Amerigo Rossi, chairman of the club's scout troop committee, reported on the Millbrae camporee and spoke encouragingly of the advancement made by boys of the troop.

The club nominated officers who will be elected at the next regular meeting.

Sequoian Saves Man From Fire

John Volpiano, chief of the Woodside Fire District, today gave credit to Norman Chapman, 103 Oakdale St., Redwood City, 18-year-old Sequoia High School athlete, for saving the life of Ray Geens, operator of the Kings Mountain Inn which burned to the ground Monday

Volpiano said Geens was asleep in the burning inn and service station, which was erected 10 years ago on the site of the historic King family residence, when Chapman, driving by, saw the fire.

Chapman, according to Volpiano, tried to enter the building without success, then shouted to Geens, who was sleeping in a bedroom off the main dining room. Flames blocked the doorway and Geens was forced to jump from the building in his nightclothes. Chapman then sped to the Granvu Tavern, a short distance away, and notified Dr. J. C. McGovern. The Woodside and county fire departments responded at 9:05 p.m., too late to save the structure. Volpiano estimated the loss at $4000.

The inn is located at the intersection of the Kings Mountain Rd. and Skyline Blvd. Gasoline pumps located in front of the structure were damaged but the tanks did not explode.

MENLO PARK NEWS NOTES

MENLO PARK—W. H. Weeden, who has been quite ill, is recovering nicely, and will soon be able to attend to his large contracting business.

The fireworks that were expected to take place at the city council Tuesday evening were not set off, owing to the absence of E. M. Rankin. He charged Mayor Cooper with irregularities during his term as mayor. Mr. Cooper read a lengthy statement showing all his expenditures from 1936 to 1939 which he claimed were legal. At the conclusion of the reading, Cooper was given hearty applause. Several in the big audience made brief speeches commending the action of the ex-mayor and roundly berated his accuser. The other business of the council was only routine.

The Forty Hours' Devotion will begin at mass in the Chapel of Corpus Christi Monastery at 9:30, May 23, with a procession and Benediction of the Blessed Sacrament. The procession will go around the beautiful grounds of the monastery. The public is invited.

The ceremony of the solemn profession of Sister Mary Reginald will take place at Corpus Christi Monastery at 3 p. m. Sunday, May 19, in the chapel. The public is invited to witness the beautiful ceremony.

The ladies of Trinity Episcopal Church Guild held a successful rummage sale Wednesday.

Harry Doughty, proprietor of the Menlo Meat Market, is seriously ill.

Mrs. J. E. Weeden and her nephew, Thomas Sexton, will return to their home on El Camino Real next week. They spent the winter months in San Francisco.

Donald H. Brown, aged 21, of Menlo Park was married to Mary J. Scott, aged 19, of Los Angeles, at Reno, Nev., last Monday. Mr. Brown is well known in this community.

Work on a quarter million dollar street project west of El Camino Real is planned. All property owners in that section have signed the necessary petition and the next step will be to call for bids. This will be a big boom for that rapidly growing locality.

Contractors will start at once on a two-story business building at Santa Cruz Ave. There will be two large stores on the lower floor and apartments above. The cost of the structure is to be about $10,000.

M. J. Loughran reports heavy sales of local property during the past month. He says he cannot supply the demands made upon him for choice business locations.

New Goodyear Tire Is Announced Here

Important to the owners of not-so-new automobiles, who may be thinking about new tires to insure themselves trouble-free Memorial Day weekend holiday trips, is announcement by Bill Jackson, local Goodyear dealer, of the company's new All-American tire, priced within the reach of 70 per cent of the majority market of users.

In discussing the tire, Jackson said: "It's full-size and bears a lifetime guarantee without time or mileage limitations. These are the sizes: 6.00-16, 5.25-17—5:50-17 and 4.75-19—5.00-19, so you can see that it is tailor-made to fit a lot of cars now operating for several years.

"We are mightly pleased to have it, completing the Goodyear line we handle and enabling us to fill anybody's car or truck tire needs, no matter in what price class he wants to buy or what his driving demands may be."

Smart in appearance, the new All-American has the same high-carbon, high-tensile steel wire for beads as is used in all Goodyear passenger tires. Its body is made with low-stretch Supertwist cord, which has even higher tensile strength than did quality tires of two years ago, Mr. Jackson pointed out. In addition, there is a double cord breaker of high tensile strength to give greater protection against bruises.

FOR TAXPAYERS!

A Statement Of Facts.

To The Honorable
The Board of Supervisors of San Mateo County,
Redwood City, California.

Gentlemen:

Since April 30th you have been in possession of the first draft of the proposed salary ordinance for 1940-41. The requests of the various heads of departments show a gain of more than $72,000 compared with what was allowed for the fiscal year 1939-40.

The increase by percentage is 12.15 per cent above the allowance for the present year.

When the salary ordinance for 1939-40 (the present fiscal year) was adopted, you made provision for $50,413.83 over and above the preceding year, 1938-39. The Civic League then believed, and believes now, that in view of the County's growth and in view of the relatively small increases allowed in 1938-39, the increase was not so far out of line.

If you adopt this proposed increase of $72,138.50 the county will pay in 1940-41 $122,552.33 more for salaries and for clerical work than was paid two years previously (1938-39).

Until a salary standardization plan is worked out, the County cannot expect an equitable and satisfactory solution of the subject covered by this letter.

Your Board must now answer the question being asked by taxpayers, whether this latest proposed advance of $72,138.50 is warranted.

In keeping with the demand of taxpayers throughout the County for information and for relief from more taxes, the Civic League now respectfully submits to you an analysis of the preliminary communication of the County Controller, now in your hands.

INCREASES ASKED: According to the County Controller, increases are asked as follows:

Departments	Increase Asked		Departments	Increase Asked
Health, Welfare and Relief			Assessor	3,580.00
Administration	$4,260.00		Recreation Commission	2,790.00
Health Division	7,120.00		Building Inspector	2,370.00
Community Hospital	5,296.00		Tax Collector	2,300.00
Social Service	4,880.00		Justice's Court	1,430.00
Relief Home	3,002.50		Juvenile Home	1,200.00
	$24,558.50		Court House and Grounds	1,105.00
Sheriff	10,680.00		Probation Officer	1,080.00
Rodent and Pest Control	7,725.00		County Executive (employes)	900.00
County Clerk			Treasurer	450.00
Registration	2,420.00		Agricultural Department	300.00
Office Salaries	1,680.00		Planning Commission	300.00
	4,100.00		Superintendent of Schools	300.00
Controller	4,000.00		Library	120.00
Recorder				
Salaries	1,100.00			
Copyists	2,500.00			
	3,600.00			

No increases were asked by the Coroner, the District Attorney, County Engineer, Fire Warden, Sealer of Weights and Measures, Superintendent of Memorial Park, Traffic Safety Commission, and for the Board of Supervisors and the Superior Judges.

INVESTIGATION URGENT

The Civic League realizes that there are justifications for some of these requested increases. But it seems apparent that the need is here for a thorough investigation. It must be evident to you and to taxpayers that the present method of preparing the salary ordinance cannot go on.

LOOKING BACKWARD

Prior to the financial crash of 1929, liberal provision was made for salaries and clerical work. The County spent in that fiscal year	$342,661.18
For 1940-41, twelve years later there is asked	665,533.50
THE INCREASE IS	322,872.32
PER CENT OF INCREASE	94.22 per cent
After adding 35 per cent to the County Assessment Roll of 1929-30 so as to make proper comparisons, the Assessment Roll for that year was equivalent to	$96,216,637.00
For 1940-41 the Assessment Roll will be approximately	116,000,000.00
THE INCREASE IS ABOUT	19,783,363.00
PER CENT OF INCREASE	20.56 per cent
In other words salaries have gone up and are proposed to reach an increase of	**94.22 per cent**
While assessable property rises	**20.56 per cent**

WHAT THE RECORDS SHOW

Job Service Has 2 Needs

Sequoia High School's vocational placement service, which in the past few weeks has placed seven youths in full-time permanent jobs of the type of work for which they were trained, besides finding part-time work for nearly a dozen other youngsters, now has two immediate needs.

1. Part-time odd jobs, such as gardening, house cleaning, window washing, weed or wood cutting, or similar labor, for a number of boys who desire the work to help them put themselves through school.

2. Applicants for two full-time, permanent positions in homes.

"We have two inquiries for full-time jobs—and no one to fill them right now," stated James M. Eva, who is in charge of the expanded service. "If we don't fill them immediately, the people will go to a San Francisco agency."

Anyone desiring to do housework is asked to contact Eva at the high school (telephone Redwood 1980).

Likewise, anyone able to give part-time work to boys, even if it is only an hour's work, is asked to telephone the school. Eva can either send somebody to do the work, or can send applicants for jobs.

In placing the seven Sequoia graduates in full-time work, the high school service not only rendered aid to the youths, but in three cases at least, to the employers, for three of the jobs had been open for several months while employers sought vainly to find someone with the proper qualifications to fill them.

O'Connell Seeks School Board Post

The campaign for trustee of the Sequoia Union High School district got under way here when F. Edmund O'Connell, Redwood City attorney, announced that he would seek one of the two trusteeships to be filled at the June 7 election. Terms of Trustees W. W. Hilton and Stuart W. Copps expire. Both have indicated they will seek re-election.

O'Connell, a native of Redwood City and associated with the law firm of O'Connell & O'Connell since 1936, issued a statement regarding his candidacy as follows:

"During the past several weeks I have been urged by many of my friends to become a candidate for the office of school trustee for the Sequoia Union High School District. I have consented to become a candidate because I would be glad to have the opportunity, if elected, to render a service to Sequoia and the people of the school district, and not because I have any objection or opposition to the present policies of the board.

"Since my graduation from Sequoia in 1927, I have followed, with considerable interest, the growth and progress of the school and am sincerely interested in its future welfare; I feel that I am qualified, in other respects, to capably fulfill the duties of a board member."

O'Connell has a record of activity in school and public affairs. While a student at Sequoia he edited the school paper, "Sequoia Times" and was president of the student body. At San Mateo Junior College he was president of the student body in 1929. He was graduated from the University of San Francisco Law School with the degree of L.L.B. in 1934.

O'Connell was first president in 1938-39 of the Redwood City Junior Chamber of Commerce; was vice president of the state junior chamber in 1939; was campaign manager for the Redwood City Community Chest last year, is now a director of the chest, and belongs to the Redwood City Exchange Club.

He is the son of Mr. and Mrs. R. E. O'Connell and brother of Postmaster R. E. O'Connell Jr.

Hour's Program, Dancing Planned for Fete at Fair

The hour-long entertainment program for Redwood City residents attending Redwood City Day at the Golden Gate International Exposition June 2 will be held in the Mission Trails Building, it was decided Monday night at a meeting of the Redwood City Chamber of Commerce co-ordinating committee and fair officials, Committee Chairman Norman S. Menifee reported.

Dancing will follow for two hours in the California Ball Room, it is expected. The dancing will be free for guests with Redwood City Day badges. Menifee said he and others from Redwood City, including members of the Eagles committee which is handling details of the Eagles' ferry ride to the Fair that day, will visit Treasure Island tomorrow to make sure the stage and other facilities will be adequate for the activities planned.

Entertainment will include dancing by pupils of the Dorothy Roberts School, songs, comedy and numerous other acts.

Peninsulans Elected C. of C. Directors

Five Peninsulans, as well as Dr. Robert Gordon Sproul, president of University of California, have been elected to the board of directors of the California State Chamber of Commerce. Peninsulans elected included R. K. Davies and L. M. Giannini of Atherton; Almon E. Roth of Stanford University; Harry A. Mitchell of Burlingame, and Charles R. Blyth of Hillsborough.

Dr. Stanger Retained By Historical Group

Dr. Frank M. Stanger was re-elected president of the San Mateo County Historical Association Monday night in a business meeting at the Stanger residence in Burlingame.

Other officers elected were: Vice presidents, John Fickeisen, Burlingame; Clive M. Saiz, Daly City, and Oscar Olson, Menlo Park; secretary-treasurer, Merritt R. Hosmer, San Carlos; directors, Wilbur H. Doxsee, Redwood City; George J. Davis, Millbrae; Clara B. Dills, Burlingame, and Roscoe D. Wyatt, Redwood City.

R. C. Woman's Mother Dies at Palo Alto

After a short illness, Mrs. Josephine Caroline Nelson, 66, of Palo Alto passed away at Palo Alto Hospital Tuesday night.

Survivors include two daughters, Mrs. Genevieve Erskine of Redwood City and Mrs. Jannette Clements of San Jose; a son, Rudolph Nelson of San Carlos; a sister and four brothers.

New Recipes Are Given

Here are some tested recipes:

Orange Marmalade Cup Cakes:
½ cup shortening
½ cup sugar
2 eggs and 1 egg yolk
3 tablespoons orange marmalade
2 cups sifted Presto
½ cup orange juice

Cream shortening, add sugar gradually. Add eggs and egg yolk one at a time, beating well after each addition. Blend in orange marmalade. Add sifted Presto alternately with orange juice. Put in well greased muffin pans and bake in moderate oven (350 deg. F.) 20 to 25 minutes. Frost with Seven Minute orange frosting.

Three Layer Cake:
2-3 cup shortening
1¼ cups sugar
3 eggs and 1 egg yolk
3 cups sifted Presto
1 cup milk
1 teaspoon vanilla
½ teaspoon almond flavoring

Cream shortening, add sugar gradually. Add eggs and egg yolk one at a time, beating well after each addition. Add sifted Presto alternately with milk to which flavorings have been added. Put in three greased layer cake pans, 8 inches in diameter, and bake in moderate oven, (350 deg. F.) 25 to 35 minutes.

Gingerbread Cake:
½ cup shortening
½ cup sugar
2 eggs
½ cup corn syrup
1½ cups sifted Presto
1 teaspoon ginger
1 teaspoon cinnamon
½ cup water
1 teaspoon vanilla
½ cup nuts, chopped

Cream shortening, add sugar gradually. Add eggs one at a time, beating well after each addition. Mix in syrup. Add Presto sifted with spices alternately with water to which vanilla has been added. Fold in chopped nuts. Put in well greased square pan, 8½x8½x2½ inches and bake in moderate oven, (350 deg. F.) 40 to 50 minutes. When cold frost with lemon or orange frosting.

New Windshield Transfers

With summer touring ahead, a new series of "76" windshield transfers has been issued by Union Oil Co., bearing the names of various Pacific Coast states. California motorists planning out-of-state vacations can effectively boost their local community or state by displaying one of the attractive transfers on their windshield or rear window. The "76" stickers are available free of charge at all Union Oil service stations.

Special Events Set During Folger Fete

Back in 1850 J. A. Folger decided to "go west young man" in search of his fortune. In this new land of gold, coffee was selling for a dollar a pound. So in May, 1850, at 123 Front St., San Francisco, the young man set up shop, with spices, teas and coffee.

Today, just 90 years later, the company has roasting and packing plants in San Francisco, Kansas City, and Houston, Texas.

Local grocers in Menlo Park, San Carlos, Belmont, Atherton, and Redwood City are arranging special displays of Folger's Coffee, for the company is offering prizes of $7.50, $5 and $2.50 for the three best displays in window or floor piles during the week of May 17th to the 22nd.

The Redwood City Tribune will act as judge. In the Redwood City Tribune's Label Contest, May 17-22 will be Double Vote Week on Folger's Coffee, so contestants who turn in empty Folger cans during next week will get double credits.

Mrs. Boulton, Heald Named

Redwood City came away with high honors at the eighth district convention of Veterans of Foreign Wars of the United States held at San Jose Civic Auditorium Sunday.

Mrs. Mary E. Boulton, junior past president of the women's auxiliary to Post 2310, was elected eighth district president of the women's organization.

Clayton H. Heald of Redwood City, past commander of Corp. James Lindsay Wilson Post 2310, VFW, and senior vice commander of the eighth district this past year, was unanimously elected eighth district commander.

Although Heald's advancement to the commander's post was expected, Mrs. Boulton's election came as a surprise. She won over two other candidates.

Staff Named By Committee

Virtually final plans for the Young Men's Christian Association Summer Camp, to be held June 23-July 7 at Jones Gulch, have been made by the Peninsula YMCA camp committee, according to Secty. Thomas W. Badley.

With the signup far ahead of last year, it appears, according to Chairman George White, that registrations will be closed by June 5. He said 33 boys had registered for the Jones Gulch camp, and six for the high mountain camp near Pine Crest. Quota for the Jones Gulch camp is 150.

The camp staff was selected at a meeting Monday night to include Secretary Badley as camp director; Asst. Secty. Merlin Donaldson as assistant director; Mrs. F. M. Farrell, cook; R. R. Moser, craft director; Frank Cathcart, stores; Oscar Cook, life guard; Wallace Meyer, George Richards and Lester Taylor, senior counselors; Andrew Stevens, older boys' counsel; C. R. Baume, rifle instructor. All have had previous experience in 'Y' camps and are trained for youth work, Secretary Badley said.

With a cabin leader needed for every eight boys in camp, the following were selected, with more yet to be chosen: Charles Robbins and Victor Petroff, South San Francisco; Harvey Smith, Brisbane; Don Huff, Millbrae; Kenneth and Robert Bebb, Belmont; Robert Winters and Bruce Tuck, Burlingame; Harry Cox, San Mateo; Lloyd McGovern and James Argo, Redwood City. The leaders have been trained and will have a 3-day session of schooling at camp before the season opens.

Boys and parents interested in the camp are asked to contact the YMCA office or committeemen at once. Committeemen authorized to register boys include W. Earl Whitaker, principal of Central School; Max Thornton, principal of Garfield School; Henry Potts, Lincoln School; Andrew Stevens and Ralph Case, McKinley School, in addition to Secretary Badley (telephone Redwood 2690-W).

Funeral Rites Held For Fred B. Hills

SAN CARLOS—Funeral services were held in San Francisco for Fred B. Hills, 52, since 1925 connected with residential developments in San Carlos. Mr. Hills, who lived at 2284 Carmelita Dr., San Carlos, died Monday of a heart ailment after a month's illness.

Mr. Hills came to San Carlos in 1925 as chief of construction for the Municipal Properties Co., a real estate organization. He continued in the same position when the company was re-organized as the Sierra Realty Co., until two years ago, when he went into business for himself. He dealt mainly in excavation work and operated a rock quarry.

Surviving are his mother, Mrs. Tina G. Hills, who lived in San Carlos with him; two sons, Jackson, 21, a University of California student, and Donald, 18, both of Oakland; two sisters, Mrs. Warren W. Hamilton of San Carlos and Mrs. Arthur C. Jenvig, Glasgow, Va., and a brother, Horace S. Hills of San Carlos.

Mr. Hills' wife died last year. His father was the late Arthur B. Hills. Mr. Hills was a native of Oakland, but had resided in Stockton for some years before coming to San Carlos.

In the 1850s Samuel Francis made a typewriter as large as a piano. It never was placed on the market.

Youth's Claim Against School District Settled

Claim of James H. Bailey, 443 Birch St., Redwood City, against the Redwood City Elementary School District was compromised in superior court here for $350. Through his father, James Bailey, the youth charged that he fell and broke his right arm while attending a physical education class. The $350 offer of the insurance company was acceptable, the father advised the court, and Judge Maxwell McNutt approved the settlement.

Commuters Concentrate On Loop Plan

Decision to carry on vigorously the drive to secure immediate solution of the Third and Townsend Sts. terminal problem in San Francisco, refusing to be sidetracked onto other phases of the Peninsula's rapid transit transit problem, resulted from Tuesday's open meeting at Foresters' Hall of the Redwood City Commuters Club.

"While we appreciate the efforts of others who have attempted to solve the transportation problem, we do not want our efforts to be confused by discussion of ramp systems, rapid transit and uptown terminal proposals," Eugene Hoffman, member of the club's board of directors and publicity chairman, said here.

"We want immediate action on the solution of the Third and Townsend Sts. terminal and expect to get a covered loading platform before next winter.

NOTHING ACCOMPLISHED

"It was admitted at our meeting last night that considerable work had been done on transit plans over a period of years, but nothing has been accomplished except plans on paper. We will not allow anyone to get us off the track now on other proposals.

"We believe that half a loaf is better than none and we will be glad to have other groups and county officials co-operate with us in obtaining our present needs at Third and Townsend."

Hoffman's statements, supported by President-Elect Wrex Cruse, who said that there "will be no let-down" in the drive to secure better service, came as a result of discussion of three plans at the meeting:

3 PROPOSALS ADVANCED

1. Supervisor John A. Lynch proposed a downtown terminal at Market St. and New Montgomery.

2. Fred Drake, San Carlos real estate man, proposed an overhead ramp to a downtown terminal in San Francisco.

3. County Planning Engineer Ronald Campbell submitted four plans for improvement of the Third and Townsend Sts. situation.

The commuters, when organized three months ago, set up as their first project a solution of the Southern Pacific terminal situation, citing the traffic jams, crowded street cars and necessarily slowed-up service as troubles to be eliminated. They also seek a covered area between the trains and street cars to avoid the necessity of going out in the open during rainy weather.

Of the plans proposed, the one apparently most suitable as a solution to the immediate problem was one submitted by Campbell.

Boy Council Studies Procedure for Meeting

The seven members of the Boys' Council, which will serve as the governing body during Boy's Week May 19-25, met Monday in the city hall with Mayor Harold F. Anderson for an outline of procedure at a meeting that they will follow when they meet for half an hour before the regular council session next Monday night.

Members of the Boys' Council are Paul Lawrence, Walter Vreeburg, Darrell Simmons, Gordon Poole, Richard Herzbrun, Ray Wilkins and Kenneth Jeffrey, all elected last week by McKinley Intermediate School students.

The council has appointed Gerald Aspinall as "city manager," Bob Gustafson as "city clerk," George Wadsworth as "chief of police" and Charles Jackson as "fire chief."

Boys' Week is being sponsored by the Redwood City Commuters' Club, and the boy officials will visit the club's meeting tonight at Foresters Hall.
